Experience

AMD

20 yrs 9 mos

Sr. Director, OEM Consumer & Gaming Client Business

Aug 2018 - Present · 4 yrs 8 mos

Austin, Texas

Lead AMD's Client Consumer & Gaming Compute Business for OEM Customers

Director of Supply Chain

Jul 2014 - Jul 2018 · 4 yrs 1 mo

Austin, Texas Area

- Lead Integrated Supply Chain team delivering over \$5B of revenue, managing \$250M+ in capital expense spend and managing a 50+ person global organization
- Delivered over 10 new successful product introductions on time and within budget, while managing upstream delays
- Re-architected S&OP process increasing scope from a wafer purchase approval to overall sales and operations risk management including capital expense, portfolio management, inventory management and sourcing decisions
- Converged to single planning system after ATI acquisition, driving aligned business process across both companies
- Reduced weekly planning cycle by 50% from 6 days to 3 days through implementation of KPI metric and data driven improvement projects
- Defined, negotiated and wrote many supply and services agreements with Nantong-Fujitsu as AMD established a joint venture and sold backend manufacturing facility to them

Sr Manager Product Development Engineering

Jun 2012 - Jul 2014 · 2 yrs 2 mos

- **Managed 15-person product development team for Sony PlayStation 4 (PS4) that has sold over 91Mu to date.** Viewed as one of the most successful launches in AMD history helping AMD to avoid bankruptcy.
- Drove engineering, supply chain and factory alignment across several geographies (USA, Singapore, Taiwan, China and Malaysia) delivering largest custom product ramp for two customers concurrently driving 11M units and >\$800M in revenue in 6 months
- Helped to develop several engineers where over half went on to become leaders of other new products within the company
- Interfaced demanding customer (Sony Interactive Entertainment Inc.)

interfaced demanding customer (Sony Interactive Entertainment Inc.), involving technical discussions and agreement on schedules and deliverables, which were critical in keeping the launch of the Sony PlayStation 4 on track

- Delivered optimized product cost and production metrics (yields and test costs) two quarters ahead of plan improving product margin by 5%.

Given

Jason Banta · 3rd

Corporate Vice President and General Manager, Client OEM at AMD
May 26, 2014, Jason managed Renato directly

Renato is one of those rare guys that can do it all. He builds up strong teams, delegates well, stays involved in the right details, and makes hard decisions when needed. Renato injects his teams with the right level of 'swagger' to get through tough situations. ...

Charles K. Bachand · 3rd

Principal Engineer | Optimizing DFT collaboratively across Design, Product and Test
April 12, 2014, Charles K. worked with Renato but on different teams

I worked with Renato in preparation for new products and identifying improvements for future products. Renato had a strong technical understanding across the product and test disciplines allowing him to be effective defining and implementing product strategies. He is goal and...

Casey Anderson · 3rd

Chief of Staff to CEO & VP Program Management at Cirrus Logic
April 7, 2014, Casev worked with Renato but on different teams

I had the opportunity to work with Renato on multiple SOC projects in my time at AMD. Renato consistently managed his product engineering team to meet or exceed commitments. He is a strong problem solver as both an engineer and a manager and able to communicate effectively at all levels o...
